

### REMARKS

Claims 1 - 12 and 21 are in this Application for reconsideration. By this Amendment, Applicant has canceled claims 13 - 20. The other claims have been amended to address the outstanding issues. New claim 20 has been presented which is similar to original claim 1.

Claims 3 and 4 have been objected to as being improper. Applicant has made changes to these claims to address these issues. It is Applicant's position that the claims are proper as now presented.

Claims 1 - 12 have been rejected as being indefinite. Applicant has made changes to the claims to address each of the issues raised. It is Applicant's position that the claims as presented are clear and definite and comply with the requirements of the statute.

It is Applicant's position that all claims as presented are patentable and define over the prior art. Accordingly, favorable consideration is requested.

Respectfully submitted  
for Applicant,
